B073

B04-BLAIR

Poor Rosemary. She had been counting on me to win some big bucks to pay off her massive student loan debt. So much for that. I had blown the opportunity of a lifetime, failing her as well as myself.

Lucky Loser

Five short blocks separated the Burbank studio from my hotel. Still, the cab ride felt interminably long.

My performance on Pot of Gold, the most popular gameshow on television, had been absolutely abysmal. The other contestants had kicked my ass, making me look like a total buffoon on national television.

Of course, the show wouldn't air for another three months. But the damage was done. My pathetic effort was in the can. Now all I could do was tuck my tail and fly back to Dumas to face my wife.

Poor Rosemary. She had been counting on me to win some big bucks to pay off her massive student loan debt. So much for that. I had blown the opportunity of a lifetime, failing her as well as myself.

The grand prize—a whopping half a million dollars—would have changed our lives. Instead, I would be leaving sunny Southern California with a measly three-hundred-dollar consolation check. Talk about a kick in the nuts! I felt lower than low.

"Idiot," I muttered from the backseat, shaking my head in disgust as the cab wheeled to a stop in front of my hotel.

My fare was paid for, compliments of the network. They had given me the royal treatment, covering all ex-

penses. Plane ticket. Hotel. Meals. Unfortunately, the gravy train was officially over.

My room on the seventh floor had a nice view, but I couldn't have cared less. My flight didn't leave until early tomorrow morning. That left me all afternoon and night to get properly shitfaced.

Rosemary was expecting my call. No doubt, she was staring at her phone with bated breath and butterflies in her stomach. I hated to be the bearer of such bad news. Three hundred bucks. So much for easy street. Back to the grind, back to living paycheck to paycheck and struggling to make ends meet.

My wife would be crushed.

Perhaps even angry.

After all, I had choked when she needed me most. Rosemary had never blamed me for our financial woes, but this could change now that I had squandered a chance to acquire some serious money.

I sat on the edge of the bed and peered at my phone, trying and failing to summon the courage to call my wife. Not now, I told myself, not so soon after humiliating yourself in front of a live studio audience.

I rode the elevator down to the lobby and sat at the bar. The drinks were overpriced and definitely not com-

pliments of the network. Still, I didn't give a damn. Sobriety was not an option.

"What'll it be?" asked the mustachioed bartender.

"Gin and tonic," I told him.

Some of the tables and booths were occupied, but I had the small bar to myself. There was no TV to watch, so it was harder to avoid my reflection in the mirror behind the bar. I didn't like the person staring at me behind those bottles of liquor. Shaving and brushing my teeth would be difficult for a long time, perhaps even forever. Would I have to go to therapy over this shit? Take antidepressants? Probably so.

I was on my third drink when two familiar faces joined me at the bar. Small world, I thought. Jack Gregory—Pot of Gold's immaculately coiffed host—had two lovely assistants, Shelly and Kelly. I had thought I would never see them again. Not in person, anyway.

Thankfully, I had thought wrong.

Sure, I was still embarrassed about today's losing effort. But the booze had dulled the sting. Also, Shelly and Kelly were most easy on the eyes, the former a hot blonde, the latter a sexy brunette. We had talked a little bit at the studio. Now we picked up where we had left off, chatting and drinking the afternoon away.

Not wanting to think about Rosemary's reaction when I related the bad news, I had deliberately left my phone in my room. My wife had probably left me a gazillion

Shelly paid my tab. We got on the elevator. They made out all the way to the seventh floor, kissing and groping one another. I got a raging boner. What would happen in my room? I couldn't wait to find out.

Standing there all goggle-eyed, my stiff cock threatening to rip a hole in my best chinos, I willed the car to climb faster. Watching them make out was hot as hell, but it didn't take a genius to know that things would get even hotter once we retired to my room.

No sooner had we crossed the threshold than Shelly closed the door. Kelly laid three fat lines of blow on a small mirror produced from her fashionable clutch. My experience with cocaine was limited to a single toot at a party many years ago. And that had been low quality coke compared to Kelly's stuff.

Higher and harder than I had ever been in my life, I sat in a comfy chair beside the window. Shelly and Kelly got on the bed and resumed what they had started on the elevator. Shelly's tits were bigger than Kelly's, her hips and ass curvier. Kelly had the leggy figure of a model. Flat-chested and willowy, she would have looked right at home on the cover of a high fashion magazine.

Presently she lay on the bed with her impossibly long legs spread to accommodate Shelly's questing tongue. The big-boobed blonde lapped and licked Kelly's clean-shaven pussy. My vantage point afforded me a spectacular view of her shapely ass.

messages. It was awful of me to make her wait, but I just wasn't ready to face the music.

Shelly and Kelly made me feel a lot better about myself, especially when they suggested that we go somewhere more private.

"Sure thing," I said. "How about my room?"

"Sounds perfect," Kelly replied.

Jack Gregory was one lucky bastard! I would have given anything to work with these two hotties. I couldn't help but wonder if he fucked them on a regular basis. Probably, I told myself. Hell, it wouldn't have surprised me if that was how Shelly and Kelly had gotten their jobs in the first place. The casting couch, I knew from reading about the subject, was no Hollywood myth.

Mesmerized by the sultry scene enfolding before me, I took off my clothes and sat there stroking my cock.

Kelly writhed atop the comforter, panting and biting her lip as her blonde costar tongued her clit. Moments later, Shelly regarded me over her shoulder. She didn't seem the least bit surprised to see me beating my meat. "Come on, baby," she said. "Get over here and fuck me."

I hastened out of my chair and hopped on the bed, moving behind her as she went back to servicing Kelly's beautiful cunt. I guided my dick inside her with one hand. Then I grabbed hold of her hips and proceeded to thrust. Her ass was nice and plush. I loved the way it jiggled as I pounded her poontang.

Mine was a breathtaking view. The back of Shelly's blonde head moved between Kelly's spindly thighs. The expression on Kelly's face, to say nothing of her stiff nipples, told me that Shelly knew exactly what her lithe costar liked. Clearly, they were lovers with a history. This got me to thinking about today's three-way tryst. Had Shelly and Kelly partied with other male contestants? Or was I the first?

I was pondering this when Shelly raised her head and said, "I want to watch you fuck Kelly."

"I'm game if she is," I replied.

"Oh, I'm game," Kelly said. "You better believe it."

Shelly padded across the room to the dresser; she reached inside her designer handbag and produced a dildo. Then she got back on the bed and propped a pillow behind her head. She lay there, her legs spread, gliding the toy's bulbous glans up and down her pink gash before ramming it home.

Having raised her knees, Kelly lowered a hand and slapped her twat. "Do it, baby. Hit this pussy."

I placed her skinny legs over my shoulders, bending her like a taco before plunging my prick into her cunt. Kelly was tighter than Shelly; her pussy sheathed my rod in amazingly snug heat.

She cried out as I hammered her hot hole, her outburst prompting her costar to masturbate faster and faster. Fucking herself with renewed vigor, Shelly used her free hand to play with those big jugs of hers. My gaze torn between her tits and Kelly's contorted face, I continued to pound Kelly with increasingly stiff jabs even after she came.

Shelly climaxed next, her orgasm preceding mine by just a few seconds. I pulled out and dumped a sizable load all over Kelly's flat chest . . .

We got dressed and said our goodbyes. I wanted another line of blow but didn't want to come across as greedy, so I didn't say a word.

My hotel room seemed much bigger now that I was alone again. I stood at the window and watched the hustle and bustle on the street below. The sex had so-

bered me up. I still felt the afterglow, but it wasn't potent enough to make me forget about Rosemary.

I grabbed my phone from the nightstand and sat on the bed and sighed heavily. As expected, my wife had sent me a ton of messages. They all amounted to the same thing. Rosemary wanted to know if we were rich, wanted to know if she could tell her boss to kiss her ass.

"I wish, honey . . ."

I placed my device beside the hotel phone and thought about what I was going to say. Everything seemed lame and inept, like telling a brain cancer patient to be strong and keep a positive attitude.

Tomorrow's flight would be a long one, the longest of my life. I honestly didn't know if I could go through with it. The network had paid for the roundtrip ticket in my bag. I would have to use my own money if I decided to go somewhere else. Three hundred dollars. I could cash the check tomorrow morning . . .

And go where?

Anywhere but home . . .

I wasn't man enough to go back there, not after screwing the pooch on Pot of Gold. I could never show my face in Dumas again. Of course, my stay in Los An-

geles wasn't all doom and gloom. Shelly and Kelly had shown me a damn good time.

No matter where I wound up, one thing was for certain. Watching my favorite game show would never be the same again!

BLAIR-NTS-09

sex in open waters

He reached out, deft fingers making quick work of the knot behind my back. My bikini top fell away to expose my pink nipples atop heavy breasts. They stiffened into hard little nubs...

marcel was the first man to show me what luxury truly meant. Barely a month into knowing him, I was stepping onto a yacht for the first time in my life. A basic tour of the whole thing lasted well over half an hour.

"Wow, this is amazing," I gripped the railing on the top deck and admired the endless expanse of water before us. I was smiling when I turned to face him. Marcel pulled me close and wrapped a strong arm around my waist.

"I have something else for you to look at," he whispered in my ear. With our bodies flush against one another, I could feel the impressive amount of muscle that he hid underneath his shirt. An involuntary shiver ran through me, I was already feeling my body responding to him. His low voice and calloused fingers pressing into my lower back. "I have to say, you look absolutely stunning," Marcel's eyes roamed over my bikini with blatant appreciation. I felt a blush rise to my cheeks.

"I'm glad you like it, I bought it just for this. But I feel a bit overdressed at the moment."

Marcel's eyes darkened, "is that so?" He reached out, deft fingers making quick work of the knot behind my back. My bikini top fell away to expose my pink nipples atop heavy breasts. They stiffened into hard little nubs in an

instant. Marcel's hand came up to cup my left tit, his thumb and index finger pinched and rolled around my sensitive peak.

"Mmm, I love your tits," Marcel groaned, ducking his head to

wet. Such a naughty girl, getting this turned on out here where any of the ship's crew could see."

"I can't help it," I reached out to palm the growing bulge in Marcel's swim trunks. "You just do this

take the nipple into his mouth. He sucked and licked at the tender bud while his other hand slid down my stomach to feel the damp patch I was leaving on my bikini bottoms. I bucked my hips, grinding myself against his hand like a wanton slut. He chuckled against my breast. "I've barely touched you and you're already dripping

to me." I felt how hard he already was and dropped to my knees in front of him. Tugging on his trunks, I freed his rock hard eight inch cock. Wrapping my hand around his thick shaft, I slowly stroked him. "I bet this would feel so good stretching my tight little pussy. Filling me up and making me scream."

BLAIR-NTS-10

"Fuck yes, it would," Marcel groaned, his fingers tangling in my hair as he thrust into my fist. "I'll pound this big dick into your greedy cunt until you're begging for more." Leaning forward, I stuck out my tongue and licked a slow stripe up the underside of his shaft, then lapped at the precum leaking from him. Marcel's grip on my hair tightened as he thrust his hips forward, pushing his cock past my lips to sink into the wet heat of my mouth. I relaxed my throat. Taking him further, until my nose was buried in coarse curls.

"Your mouth feels incredible," Marcel groaned. His hips started rocking, fucking my face with shallow thrusts. "Take my cock. Suck it like the cock hungry slut you are." I moaned around his dick, making him shudder from the vibrations. My wet slurping and occasional gagging filled the air. After a couple minutes, he pulled me off his cock. A strand of saliva connected my bottom lip to cock head. "Turn around and bend over the railing," he ordered. I did as he said, turning to face the sparkling sea as I bent at the waist and gripped the yacht's railing, gripping the smooth wood tightly. I wiggled my hips invitingly, looking back at Marcel over my shoulder.

"Fuck me," I purred, reaching back to undo the strings of my bikini bottoms. They fell away, exposing my dripping slit to his hungry gaze. He rubbed the swollen head of his cock through my slick folds before burying himself to the hilt inside me. I cried out, my back arching as he stretched me deliciously around his thick dick.

"You're so tight," Marcel growled, his fingers digging into my ass as he started to move. "I can feel you squeezing around

me. You were made to be fucked, weren't you? Made to be used for my pleasure."

"Yes, fuck yes!" I screamed,

shooting his load deep inside my pussy. I felt his cock throb and twitch with each new spurt being released. It was enough to make

pushing my hips back to meet his thrusts. "I'm your cock sleeve, use me. Make me yours!" Marcel snarled, pounding into me even harder. When I looked back at him over my shoulder, I saw a sheen of sweat accentuate every bulging muscle in his arms and chest. I could feel every inch of his cock dragging along my sensitive walls, stoking the fires of my pleasure higher and higher.

"I'm going to come," Marcel groaned, his grip on my hips tightening. "I'm not pulling out. You're going to take my seed and let it drip down your thighs."

"Yes, yes, please!" I begged, my body trembling on the edge of climax. "Come inside me!" He slammed into me one final time,

me follow him over the edge. I buckled, succumbing to my own orgasm. Screaming in ecstasy, my cunt milked him for every last drop.

We stayed like that for a while, both panting and enjoying the rush. When his softened dick slipped out, a burst of cum shot out onto the deck floor and continued trickling down my wobbly legs. I reached down to scoop up a drop, just for a quick taste. Licking my fingers clean, I moaned in satisfaction.

"Can we do that on the lower deck, too?" I teased. Marcel burst out laughing and helped me upright.

"Of course we can," he said.
